Chorus

If you could see that I'm the one who understands you

Been here all along so why can't you see you belong with me, you belong with me.

Walking the streets with you and your worn out jeans

I can't help thinking this is how it ought to be

Laughing on a park bench thinking to myself, "Hey, isn't this easy?"

And you've got a smile that could light up this whole town

I haven't seen it in awhile since she brought you down

You say you're fine, I know you better than that

Hey what you doing with a girl like that?

She wears high heels, I wear sneakers

She's cheer captain a I'm on the bleachers
